

清远市阳山县江英镇落实前地块土地使用规划局部图（WLS01-05）

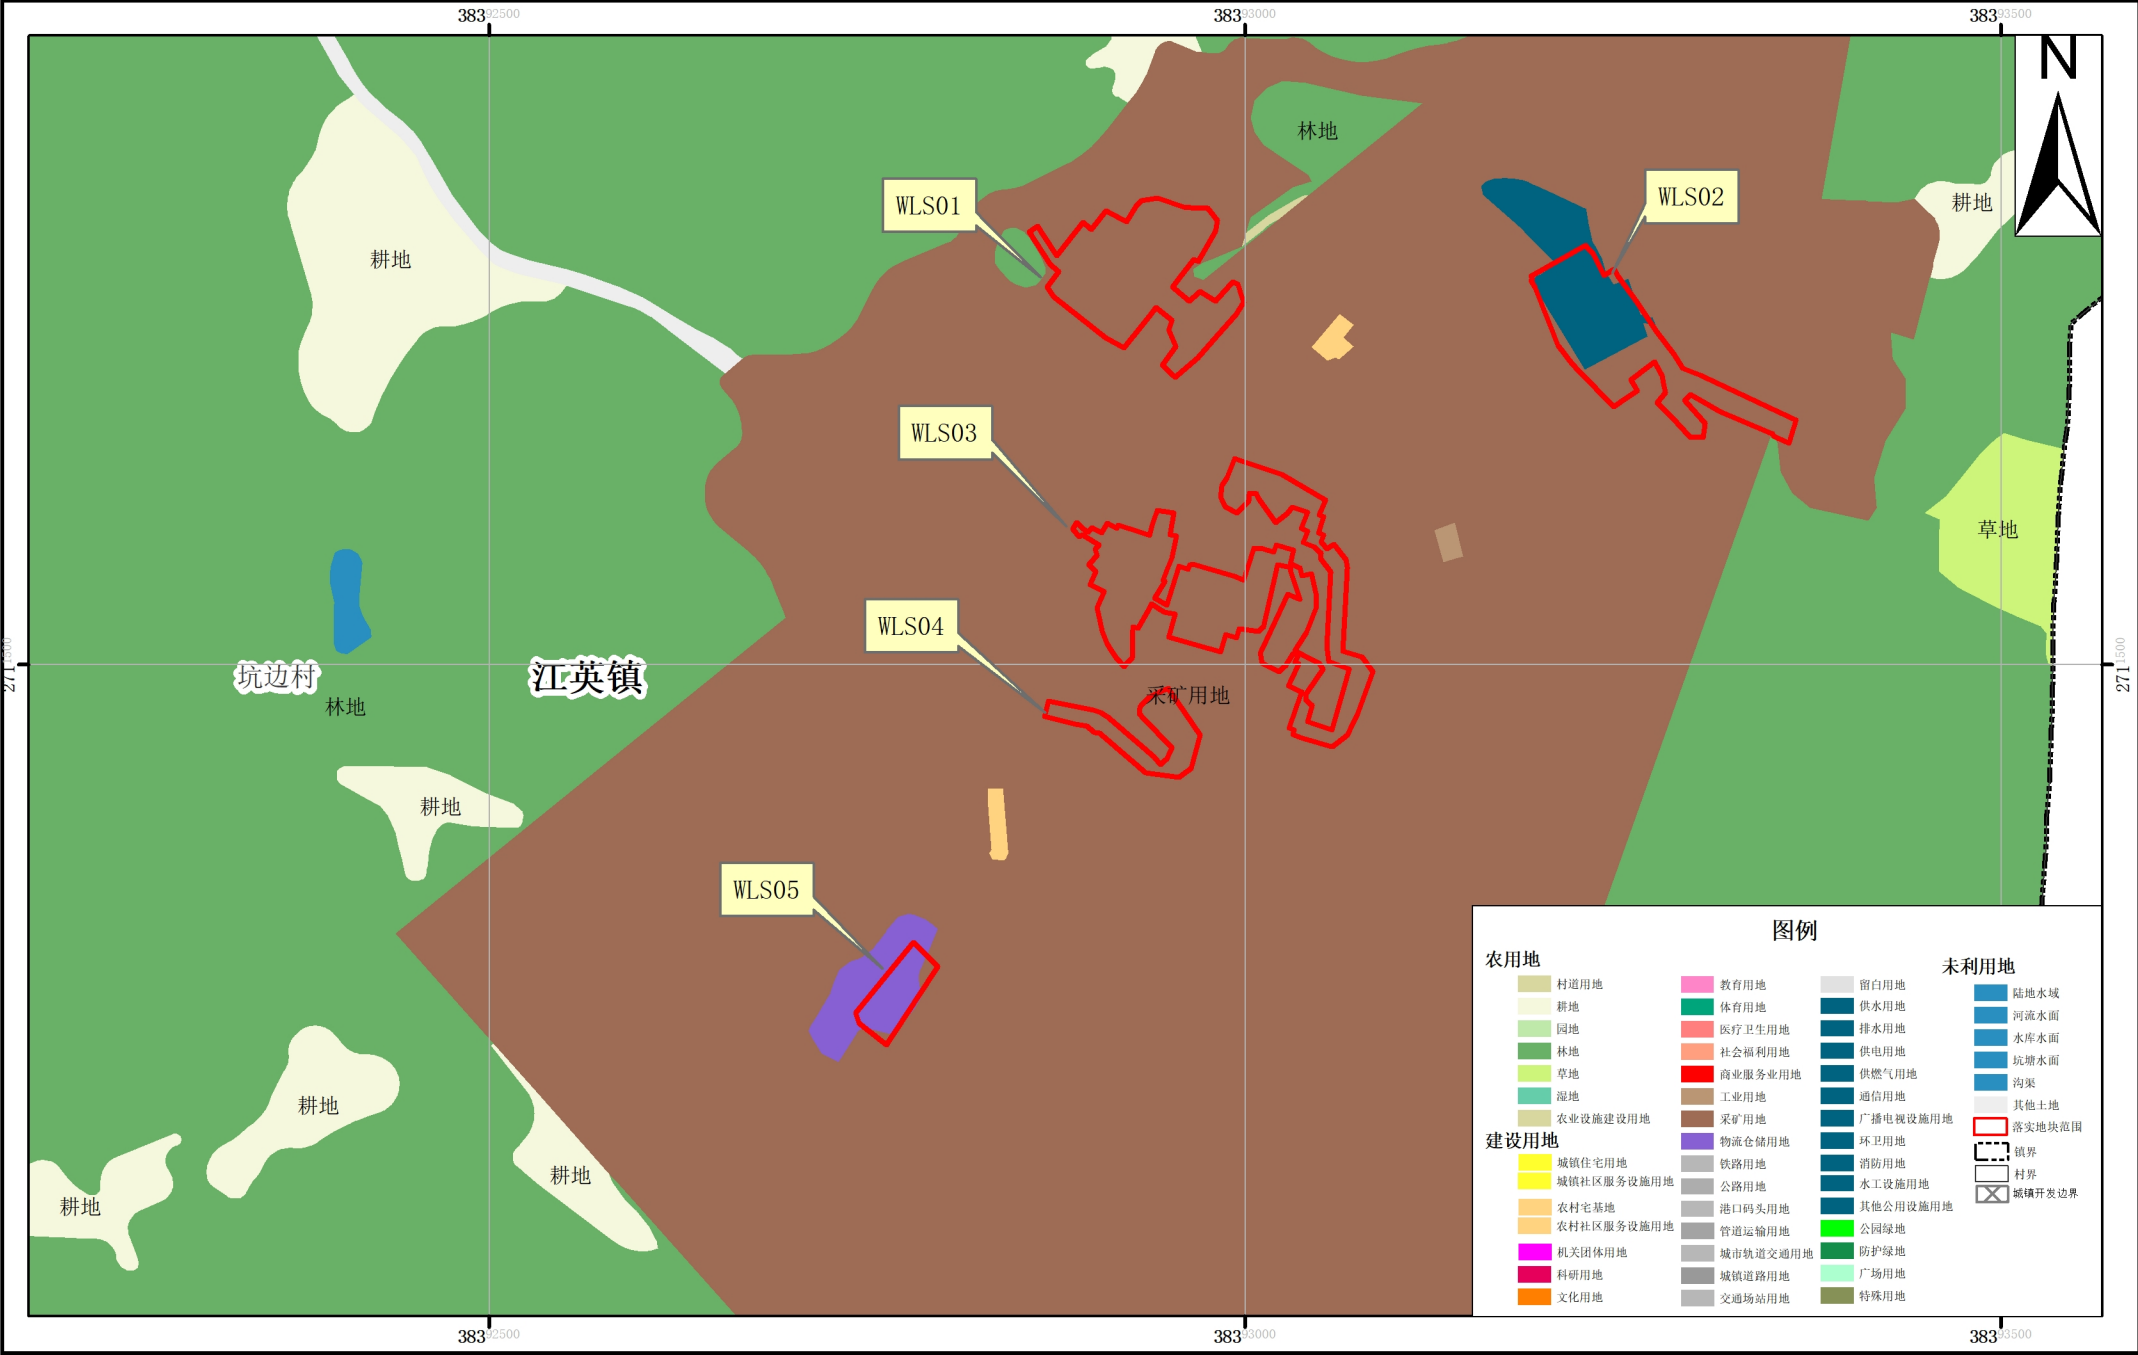

Figure 1 is a land use map of Jiangying Town, Jiangxi Province, China. The map displays various land use types, including agricultural land (耕地), forests (林地), and built-up areas (建设用地). Five specific land parcels are highlighted and labeled: WLS01, WLS02, WLS03, WLS04, and WLS05. A legend (图例) is provided in the bottom right corner, detailing the color coding for different land use categories. The map includes a north arrow and coordinate markings.
